

## Bird Watching by Sailing Barge

Join Sailing Barge Victor for a bird watching cruise either from Mistley or Ipswich. Depending on dates, there are RSPB staff\* or experienced guides on board each trip with detailed knowledge of the Stour Estuary and River Orwell which supports over 30,000 birds in winter. As Victor drifts quietly on the tide with topsail set, we can expect to see many different species, including divers, grebes, scoters, mergansers, hundreds of waders and brent geese. A great opportunity to see birds from the river in the company of local experts.

**£37.50 per person**

inclusive of tea & coffee and breakfast or brunch.

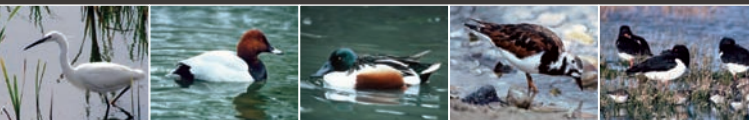

Children must be accompanied by an adult.
